Dear Sirs

Re Land at Jeskyns Farm, Jeskyns Road, Cobham, Gravesend, DA12 3AL
Determination as to whether prior approval is required for the erection
of a purpose-built facility to support the operational forestry work of
Forestry England in managing this site and surrounding parts of the
forest estate.
REF: GR/2023/0967

Noting the location in the Green Belt, in the Society's view prior approval should be required, but
planning consent cannot reasonably be withheld.

Yours faithfully

Mrs P A Lippiatt
