Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the new luminaires at the woodlands on the basis of light pollution causing negative environmental impact to local wildlife in the park and surrounding area and causing detrimental wellbeing to the neighbours opposite who will suffer from the light pollution shining directly into their houses until very late at night. The additional lighting may also prevent privacy of local residents.

Kind regards
