Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Building work is awful Personally I object the height of the building and bare in mind I see that daily is going to cause undue stress to all neighbouring houses too big for the area community and surrounding properties this must block views and I doubt they haven't considered the decrease in properties surrounding being de valued how it ever got through any planning is beyond me

Kind regards
