Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I live on the junction of Hermitage road. forge lane, School lane and Villa road. Especially after midnight the Lorrie's that speed from School Lane and down Forge lane in the early hours are extremely noisy and seem to always be going at least 50 miles an hour. The residents in Forge lane have frequently had wing mirrors taken off by the careless dangerous driving. Any more traffic will I evidently result in more accidents and extreme noise that is disturbing sleep and a don't care attitude from the drivers. I believe that there need to be an alternative route that takes the Lorrie's onto the main Gravesend road which allows for these hgvs. Rather than the narrow residential lanes that are currently used.

Kind regards
