Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this application the road is narrow and not suitable or capable of handling any further traffic the see ho already makes the area congested and dangerous during their busy hours with vehicles pulling out inconsiderately. show ground HGV vehicles would not be able to access the site as the lane already is narrow with the residents of Ridgeway bungalows parking on the road outside their homes it will be impossible to enter the land proposed. The impact on the neighbouring properties with more traffic and HGV vehicles restricting a already narrow lane is a hazard and a accident in the making.

Kind regards
