Reasons for comment:

Comments: I strongly object to the proposal of 725 homes on land at Norwood Lane and Camer Road, as this I believe is green belt land and that brown or grey sites should be exhausted first. This plan to build on the above mentioned development would create a lot of extra traffic and would cause further safety problems in and around Meopham these roads are already overused by heavy lorries using the A227 as a rat run for the Dartford crossing. I am also concerned that extra traffic on Camer Park Road and the Street of which are not suitable for extra volume of traffic. I am concerned that The proposal would also join the villages of Meopham and Sole Street making a town rather than 2 separate villages.

Kind regards
