Reasons for comment:

Comments:	My objection to the building of 750 (or any number of dwellings) in the Village of Meopham are as follows: Meopham is a village on Green Belt land and together with Sole Street, Cobham and other small villages providing a benefit for all those residing in Gravesham Borough with fields and open spaces for people to enjoy. The roads are congested already during certain times of the day and/or when there are road closures with narrow lanes as the only alternative causing danger to pedestrians and motorists. The countryside environment should be protected for the benefit of wildlife and the future of the planet. There are empty brownfield sites and properties which should be utilised for future housing.
