Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Provided this application is subject to the following 2 conditions: 1 that the ground floor use is restricted to garaging of vehicles 2 that the building in question cannot be sold or used separately or independently of 'Starwood'. then we would have no objection to this application. However, we note that this is a 'serial applicant' and we have no doubt that once granted this application would be followed by an application to vary that granted. Further, it appears that the applicant has ignored restrictions already in place. So: we adopt and repeat verbatim all the comments raised by the Parish Council in their objection dated 20.01.2025

Kind regards
