Dear Mr Adeoye Lawal.

The Planning Application N° 20251233

I object to the above application on the following grounds.

- 1) This is good productive farming land which is at present feeding not in the future may well be needed to feed the nation. What about food security?
- 2) Dartford, Gravesham and the whole of Kent has more than shouldered their contribution to housebuilding in the South East.
- 3) This development is no asset to the community. Build on brownfield sites.
- 4) The development will put more strain on local hospital, health centres and doctor's surgeries.

Sincerely
