I wish to **object** to planning application number **20251233** for the reasons stated below:

I totally uphold all the objections raised by Istead Rise and Widai Community.
The plan to yet again build on Greenbelt land, the environmental issues
or devastating for the future generation let alone the health of those
already living here. The road surface is already crumbling on IR
and A227 the ability to even leave the Rise is non-existent
at times. Our 7's and School are full, we have no decent bus
service or no footpath between us and Heapham. The infrastructure
around us can't cope now. We know there are plans to build
100's of houses in Heapham.

So please take note of our concerns ^{do not} and ignore
them as was done when the application ~~was~~ for the
8 flats to be built in Worcester Close yet again taking
away Green Space. Healthy Environment, flood risk, loss of agricultural land
Say No to this development!! Extra, Extra!!

Signed:

Deadline for objections: 26/1/26
