Application Reference: 20251233		Case Officer: Adeoye Lawal	
Location:	Land at Rose Farm, Downs Road, Istead Rise, Gravesend, Kent		
Proposal:	Outline planning application for the demolition of 64 Downs Road & erection of up to 154 residential dwellings & creation of a new access from Downs Road (Full details on Gravesham's Council's Website)		
I am:	Member of the Public ☒ (Age 18 or above)	Other:	
My Title & Full Name:	[REDACTED]		
My address & postcode:	[REDACTED] ARCADIA ROAD, ISTEAD RISE, GRAVESEND, DA13 9EH		

I wish to **object** to planning application number 20251233 for the reasons stated below:

1. I am really concerned at the additional pressure which this development will bring to the very limited facilities already existing at our doctor's surgery, hospitals and schools.
2. This will also add significantly to traffic on both the A227 and the A2, let alone on Downs Road, especially at school times.
3. For those wanting to get to Meopham station to travel to work the only way is by car. Will the station car park be able to cope or will there be more parking on residential roads in the vicinity of the station?
4. This development will yet again cause a loss of green belt land and fertile farmland which we need for both food security and to curb the urban sprawl which is so much in evidence in our area of Kent.

Signed:

[REDACTED]
