I wish to **object** to planning application number **20251233** for the reasons stated below:

The reasons for refusing this application are really too numerous to mention & are it is absolutely ridiculous to even consider this.

1) The Dr's are full to capacity, & it is so hard for all of us who live here to get an appointment even now.

2) The School in Downs Road - again they cannot take any more pupils. Have you considered how dangerous it will be for children walking to School, plus all the parking & if this planning goes ahead, it will certainly be an accident waiting to happen!

3) Our Bus Service is very bad - about one every 50 minutes, if lucky & if they turn up, plus there is no service at all on Sundays.

4) There is very limited Car Park spaces outside our shops now!

5) The Value of Peoples Houses will deteriorate, plus all their lovely Views of the country side gone, not to mention the Wildlife!

6/ The pollution & noise all around the School area will be terrific!

This so-called plan is absolutely ridiculous
If people want to live in lots of houses all
bunched together - go & live in the Town - leave
our beautiful green areas alone & us. !!! None of
this will be of benefit to anyone living here.
