I wish to **object** to planning application number **20251233** for the reasons stated below:

I bought my house a few years ago for the views we have from our house, of the fields. Building on them will completely destroy this! I love how quiet it is in the neighbourhood. More houses built will only bring in more traffic, esp down my road - where I also own cars, which increases more danger for them. Since moving here, I have also been trying to get into the local dentist, which I still haven't been able to do due to them being at full capacity. The new builds have no chance! Stop building on any green space possible + destroying small towns/villages in massive, crowded estates!

Signed:
