I wish to **object** to planning application number **20251233** for the reasons stated below:

I am shocked and saddened that this could happen on Istead Rise - we are already full to capacity in the dentist, doctors. Any addition to our population would have a real effect on all our services. We are a car dependant village as our bus service is so bad, this would have to improve. I can't think of anything worse than another 154 homes.
