I wish to **object** to planning application number **20251233** for the reasons stated below:

[redacted]
[redacted], due to the building works and additional cars.
The roads would become unsafe with the amount of additional cars this type of house building would create. They drive far too fast at times now, let alone additional cars as each house has the potential to create 4 cars per house (154 x 4 cars).
He would no longer have the freedom to walk where he would like, in a calm, quite environment, and to breathe clean air. [redacted]
