Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application

### Reasons for comment:

Comments:	<p>This is totally unacceptable to be able to build on so called green belt land. My young children go to the local Culverstone Green School and I hate to think of the pollution and dust caused by the building of 100 houses. Then there is the traffic that is bad enough on school runs or even just day to day on the South Street as it is never mind adding construction traffic or once built the 100+ cars that come with it. Then there is the local doctors/dentists etc. They cannot deal with it as it is. Good luck getting an appointment currently never mind when you have 100+ people also in the local area.</p> <p>I bought a house in a nice small neighbourhood and I would like to keep it that way.</p>
