Reasons for comment:	
Comments:	<p>The main road where the homes are proposed is already very busy. The entire length of the road from the A2 to M20 is always undergoing repairs somewhere which is caused by the many HGV lorries and farm vehicles that use it daily. This road cannot take any further increase in traffic.</p> <p>Local GP surgeries are maxed out and appointments hard to get.</p> <p>Many bird species exist in existing tree lines surrounding that land and they would be disturbed by the construction of the proposed houses.</p>

Kind regards
