Reasons for comment:	
Comments:	Why would you build a mcdonalds right near a local school and on top of a park ? This will attract anti social behaviour. Giving children places to hang out and and cause damage to the local community area especially for large groups to meet and spill out into the park with large amount of rubbish. The traffic in Wrotham road is bad enough and already causes problems this is only going to magnify with their being a McDonalds! Also we already have more than enough fast food chain restaurants in Gravesend why do we need to build another when our biggest health problem at the moment is is obesity!

Kind regards
