Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	you have sent us a letter advising of the proposed work for no 20 Elwill way - the application does not contain any plans or details of the work itself except for 'Erection of a detached 2 bedroom self-contained annex with 2 rooflights as accommodation ancillary to main dwelling' we oppose this as believe this means building in the garden and so the structure will overlook our own property and garden and we are not happy with this and oppose it - please can you add plans so we can look at this further or contact us regarding this but the property has already had 1 extension to which we agreed and feel like any further extensions would intrude on our property - please as asked provide more details or contact us - [REDACTED]
