Reasons for comment:

Comments: Harvel needs its pub, the Landlord bought this pub as a business not as a house and should not be able to benefit from changing its use. The village lost its shop and post office a long time ago, the residents need a pub in walking distance to keep the community together which was shown by the village hall Pop up pub event which filled up the hall completely. No pub in walking distance in a rural area is a big shame and it's a viable business in a great walking area. All the residents lose if this application is approved.

Kind regards
