**TOWN AND COUNTRY PLANNING ACT 1990
THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015 (AS AMENDED)**

NOTIFICATION OF REFUSAL OF PERMISSION TO DEVELOP LAND

To: **Cam Javed
C/O Guneet Kaur, Barron Edwards
Whitehall Place
47 The Terrace
Gravesend
Kent
DA12 2DL**

TAKE NOTICE that the **GRAVESHAM BOROUGH COUNCIL**, the Local Planning Authority under the Town and Country Planning Acts, has **REFUSED TO PERMIT** development of land situate at:

**12, 14 And 16 Queen Street
Gravesend
Kent
DA12 2EE**

and being **Demolition of existing outbuilding and construction of a new 1.5 storey building comprising of 6 studio apartments with associated landscaping and cycle storage.**

Your application dated 20th December 2021 is refused on the following grounds:-

1. The proposed development would be overdevelopment of the site, unacceptable in design terms and would adversely impact on the character and appearance of the High Street and Queen Street Conservation Area and not relate well to the existing buildings or the character and appearance of the area. As such, it would be contrary to Policies CS19 (Development and Design Principles) and CS20 (Heritage and the Historic Environment) of the Gravesham Local Plan: Core Strategy (2014), saved Policy TC3 of the Gravesham Local Plan: First Review (1994), as well as Sections 12, (Achieving well-designed places) and 16 (Conserving and Enhancing the Historic Environment) of the National Planning Policy Framework (2021).
2. The proposed rear block of flats would provide inadequate and unsatisfactory levels of natural light and ventilation creating a poor living environment for the future occupants of the development. In addition there would be a poor means of access to the rear of the site through a narrow and poorly lit walkway. The proposal is therefore contrary to Policy CS19 (Development and Design Principles) of the Gravesham Local Plan: Core Strategy (2014) and Section 12 (Achieving well-designed places) of the National Planning Policy Framework (2021).
3. The scale, form and orientation of the proposed rear block of flats fails to safeguard the amenity of neighbouring properties that adjoin the site on Berkley Road, resulting in an overbearing and unneighbourly form of development in close proximity to the common boundary and result in direct overlooking of neighbouring gardens and properties from

the proposed first floor walkway, which is contrary to Policy CS19 (Development and Design Principles) of Gravesham Local Plan: Core Strategy (2014) and Section 12 (Achieving well-designed places) of the National Planning Policy Framework (2021).

4. The proposal fails to secure a contribution towards strategic mitigation measures within Special Protection Areas, and in the absence of this contribution or adequate information to inform an Appropriate Assessment, the development fails to comply with the requirements of the Habitat Regulations and Section 14 (specifically paragraphs 180 and 181) of the National Planning Policy Framework (2021) and Policy CS12 of the Gravesham Local Plan: Core Strategy (2014).
5. Insufficient information has been provided in relation to waste storage arrangements for the development including for the existing commercial uses, and where the bins will be placed for collection and how they will be moved from the bin store to the collection point. This is essential in a street where there has been an ongoing issue relating to effective waste storage and the need to ensure that that the pavement outside the properties does not become cluttered or result in a poor quality street environment, contrary to Policies CS19 (Development and Design Principles) and CS20 (Heritage and the Historic Environment) of the Gravesham Local Plan: Core Strategy (2014), saved Policy TC3 of the Gravesham Local Plan: First Review (1994), as well as Sections 12, (Achieving well-designed places) and 16 (Conserving and Enhancing the Historic Environment) of the National Planning Policy Framework (2021).

**NOTIFICATION TO APPLICANT**

## **APPEALS TO THE SECRETARY OF STATE**

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application\*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

### **\*Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

## **PURCHASE NOTICES**

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

## **COMPENSATION**

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or granted subject to conditions by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
