Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This application must be denied. There will be an enormous amount of waste/destruction and negative impact on the environment and surrounding neighbourhood. You've only to look at the case of the Fowlers wood site in Vigo to see the destruction and carelessness behaviour. The huge amount of tax payers money needed to right that situation could have been money well spent in other, much needed areas of the community.

Kind regards
