Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Gravessham Council has just spent over £100,000 and over two years to get gypsy travellers off land they own which is ancient Woodland on the Harvel Road in Vigo. Gypsy travellers should not be able to change the use of woodland to put their vehicles or caravans on. GraveshamBC should object to this planning application and enforce that they should not do anything with the woodland apart from keep it as woodland.

Kind regards
