Reasons for comment:	
Comments:	I oppose this being used as a travelers site. They've already caused so much damage to the surrounding hedgerows, it's heartbreaking that they've shown no consideration for the local community by hacking down trees to accommodate a static caravan with absolutely no consequences, leaving large branches in the road blocking other road users, They had no right to do that. Why would anyone want anymore of these type of inconsiderate thugs

Kind regards
