Reasons for comment:

Comments:	<p>The added pressure on local gp surgery will be totally out of hand, it is far too busy at present currently</p> <p>Downs Road is terribly busy at school drop and pick up times. The proposed builds will increase the already busy traffic and cause havoc for travel</p> <p>The land proposed to be built on is green belt with woodlands and farms, home to many wildlife. This will all be destroyed to accommodate new houses in an already busy area. Istead Rise infrastructure of roads will be heavily congested along with already very busy A227</p> <p>Increase of pollution surrounding Istead Rise primary school, where my children attend, which could be potentially harmful</p>
