Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is a residential area where you already have residents double parking dangerously in the road. This would bring more congestion and will reduce the ability for disabled residents to park. It will also mean noise pollution of cars arriving at all times of the day for different prayer times. Plus there is another location minutes away that can be used and I have personally visited and is never at capacity and can accommodate.

Kind regards
