Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Will increase more traffic/hgv's in the village plus putting more pressure on a little village. I feel for all the residents close by, elderly residents & those who are disabled taking away there parking etc with the roundabout & double yellow lines. This was such a peaceful village. No more with all the hgv's coming/going with asbestos materials right by the primary school too. I object!

Kind regards
