Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Absolutely no! The roads in the wider area, as well as those local to the planned works are in no way suitable for the nature of the traffic intending to use it. This is the case now and in the future. You are proposing more destruction of the wellbeing and the lives of people in the area in order to line someones pockets financially. It is abhorrent what is being proposed in Higham. Not only this application but also those plans relating to extensive house building locally.

Kind regards
