Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I'am writing to formally object to the proposed change of this family dwelling, to a childrens home.</p> <p>Converting a family dwelling into a children's home can lead to increased traffic, noise and disruption in our currently peaceful neighborhood. The increase in vehicular movement could compromise the safety of our streets, especially for our children and elderly residents.</p> <p>As highlighted by other residents of the street, the title deeds for this property and others in the street and surrounding area-contain restrictive covenants. These covenants prohibit any use other than for a private dwelling. The proposed change would directly be in breach of that covenant.</p> <p>I urge the local planning board to reject this proposal. Consider all implications for local residents, the character and well-being of our community in The Fairway.</p>
