Reasons for comment:	
Comments:	The beefeater was a restaurant and not a takeaway that will attract groups with anti social behaviour. That's before we start counting the god knows how many mopeds flying around everywhere including my road which is a cut through for kings farm. The people going to be affected is huge. The pupils at st George's school will be clapping their hands but I doubt that the parents will. Why would you put a takeaway of this type so close to a school? If this goes ahead it will be awful and affect many many people in all of the wrong ways

Kind regards
