Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>A227 not fit for current purpose - exceptionally busy, especially at peak times. Dangerous at school times with the sheer volume of vehicles - potentially even more issues at Culverstone school area with more children, more people attempting to park. Narrow in parts causing issues with 2 large vehicles passing. Also known to flood in certain areas. More "concreting over" will lead to less green land to absorb flooding. More housing will cause more issues. The area has an appalling bus service pushing more people into cars - more houses, more cars. Local GP surgery will struggle with the potential volume of new patients in view of this potential site for more housing and others in the area. Damage to area for wildlife.</p>

Kind regards
