Application for approval of condition 3(i)(ii) attached to planning permission
reference number 20200412 relating to details of the Archaeological Watching
Brief.

Thank you for your letter consulting us on the above planning application

The applicant has submitted a Written Scheme of Investigation for an archaeological watching brief at the site. I would be happy for this document to be approved and for archaeological monitoring to be undertaken on this basis.

Part (i) of the proposed archaeological planning condition could be considered to be discharged in full.

I would be pleased to discuss the above further.

Yours sincerely

Casper Johnson Senior Archaeological Officer Heritage Conservation
