Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: Works have already commenced on the property. Works such as strip out/demolition internally. These works have been started at 7am on a Saturday morning which is not acceptable. Also a hoarding has been placed on the front of the property but nothing on the fence line between [REDACTED] and number 59. This has resulted in a lot of dust/debris on [REDACTED] cars and property. We request that a hoarding is erected to help reduce this impact and that a restriction is put in place for weekend working.

Many Thanks

Kind regards
