Dear Sir/Madam,

The above application for a A2(Hot Food Takeaway) is only [REDACTED]
[REDACTED] from where I live. I do not want more fumes, I already live
with the fumes from the constant traffic, [REDACTED]
[REDACTED] The takeaway will
bring lots of people with or without a Car and there will be congestion
by the traffic lights. And the opening hours I totally disagree with, early
08.00 to 21.00 Monday to Sunday. No way do I as Residents agree with that.
I therefore strongly object to this Planning Application to be permitted.
After all this is a residential area, the people who are asking for the planning
permission do not live here and therefore they don't really care about the
Residents.

Yours faithfully
