Reasons for comment:	
Comments:	The surrounding area struggles to cope as it is, infrastructure is not in place for a further 700 plus homes, taking into consideration the number of further vehicles. This development will add to the traffic volume and destroying the wildlife which use this as their habitat. This is so negative and causes much anxiety for many residents. There are plenty of other options where countryside does not have to be destroyed. Please don't destroy our countryside and village.

Kind regards
