Reasons for comment:	
Comments:	This is green belt land and you need to build on brownfield sites first. Meopham is a village and cannot cope with 725 dwellings in this vicinity as there is not enough infrastructure especially with all the other 5 sites (re local plan) that are prime for development. Look at the overall planning applications for Meopham the A227 cannot cope with this one also. It will join two villages together which was stated to turn Green belt to Grey belt this is NOT allowed! Putting a recreation ground at the end of development to get around this is NOT abiding to regulations!

Kind regards
