Reasons for comment:

Comments:	There is not enough road infrastructure to cope, 1 roundabout will not help. Green Lane is busy with huge amount of traffic and will not cope with 725 extra dwellings. Was there an independent road traffic survey carried out?? Meopham cannot cope with this application for 725 with an additional extra 5 potential sites for building as per the local plan! These should all be looked at together it's very sneaky by the land owners doing separate applications. GBC should recognise this and act to stop this happening. Its will also destroy the habitat on our Greenbelt land and join to neighbouring villages together
