Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Increased traffic on A227 also on narrow country roads. More houses will mean more cars delivery vans etc. there are no footpaths in that area so danger of it children and pedestrians Worries about water, Fresh, waste. sewage capacity . There would be a massive impact on natural Habitats, wildlife will be destroyed as would the villages of Meopham and Sole Streer. Our doctors have no extra capacity for patients and not more room for doctors. We already have problems will flooding and this will be worse. Also this is farmland greenbelt we need this to farm food , for food security once it's built on it's gone forever.

Kind regards
