Reasons for comment:	
Comments:	Significant impact from extra cars on our main roads and country lanes The traffic congestion during school hours and business hours to and from work and the local shops is very dangerous already without other plans for new builds the impact will be unimaginable Pollution from fumes the air quality for school children and local residents Drainage and flood mitigation from the loss of surrounding fields Loss of our green belt land and the merging of our villages keep our open spaces Safeguard our local wildlife and some protected species
