I wish to **object** to planning application number **20260649** for the reasons stated below:

In the 21 yrs we have lived here the amount of cars have risen
enormously, our close is like a car park, how on earth are we going to cope
~~with~~ with all the extra vehicles if all the housing gets approved.
I have a job getting a doctors app. our dentist & schools are at capacity
What we need is a thought for the older community who live on their own
but would like to down size to a bungalow, which would help with the
housing for larger families. The residents are all against all this
building. We need our farm land for food, not houses, and what about
all the infrastructure, roads - water supply - parking, schools.
There is so much more I would like to say, but as we all know it
does not matter what ever we all say, you take no notice and go
ahead with the plans anyway.
You will be spoiling our community.
