I wish to **object** to planning application number **20260649** for the reasons stated below:

Plan is inappropriate in size & does not reflect the needs of locals
Loss of precious greenbelt & natural habitats
Increased pressure on our GPs, who are already at maximum capacity
Lack of public transport, bus service is irregular & limited
Essential farmland would be lost, it is vital for food security
More traffic congestion in and out of Istead Rise, along A227
There is uncertainty around the water supplies in the area
Reduction of available spaces at local schools
There are only basic shopping facilities with limited parking
We are car dependant here, no safe walking or cycling routes
