I wish to **object** to planning application number **20260649** for the reasons stated below:

1. There is a very limited bus service + no train station
2. It is already difficult to get an appointment with Doctor
3. The development at Downs Rd (20251233) will be hazardous for the school children and the planned access is inadequate
4. It will devalue surrounding properties including those in Biddenden Way because of their outlook over the countryside. Will we be financially compensated
5. What is happening to England's Green and Pleasant Land.
