I wish to object to planning application number 20260649 for the reasons stated below:

An increase in the population will put
added strain on the doctors. We now wait
2 to 3 weeks for an appointment
More quers with increase risk of accidents
as traffic tries to join the main road
Poor bus service: one every 1 1/2 hours
Loss of green belt which means loss of the
insect life we depend ^{on} and another broken
promise Strain on sewage and drain systems
Only basic shopping with limited
parking space
