I wish to **object** to planning application number **20260649** for the reasons stated below:

① Why is this Country Building on Green Belt, Farm/
Agricultural Land when this Country is NOT Self-Sufficient
and a specilly with what is going on in Russia and
ukraine etc. Plus Mr Donald Trump slapping Tariffs
on every thing.

② The Whole of the UK's Infrastructure is Struggling
at Best! (Water, Clean & Dirty, Electricity, Gas, Telephone
Communications). And then You got Local Facilities, Doctors
and Dentist Surgeries already Full to Capacity Including
Local Schools.

③ Transport. The Local Roads are Full to Capacity aspecilly in Rush Hour Times. If there is a problem on the A2, Drivers then start to use Local Roads, Wrotham Road A227 and other Side Roads and then the whole area becomes Grid Locked. This then is a Big Problem for All Emergency Serices etc.

Istead Rise Estate has only got small Local Roads with Vehicle Parked on Both sides of the Roads. The Local Area & Drove Way will NOT be able to take the Extra Vehicle Movement - Plus Construction Vehicle to & From the Plared Construction Site.

④ Transportation. Istead Rise Area has a Big Problem with Local Transportation. Busses, Getting on & off the Estate Early in the Mornings & Later in the Everings. Very Poor Serice on Saturdays and NO Service on Sundays. Also there is NO Foot Path From ISR Estate to Meopham Rail Way Station, (People walking in the Road at times when Busses have Failed To Turn Up). We have to be Car Dependant Here!
