Application Reference: 20260649

Case Officer: Rebecca Harrison

Location: Land North Of The Drove Way, Istead Rise, Gravesend, Kent

Proposal: Development for up to 100 residential dwellings (Class C3), including the formation of new accesses from The Drove Way.

I wish to **object** to planning application number **20260649** for the reasons stated below:

I strongly oppose the building of 100 houses at the rear of the Droeway. Why build on precious farmland when there are plenty of derelict buildings and sites around Gravesend (the old hospital for 1).

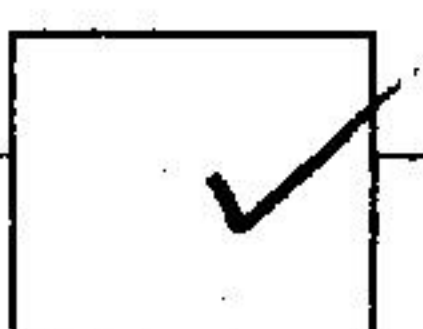

Istead Rise already have trouble getting a doctors appointment, they are unable to cope with the residents here now, let alone hundreds more. Getting out of Istead Rise onto the A227 is a nightmare as most people have to use their cars as the bus service is very poor and unreliable.

like the doctors surgery the local school would be expected to take on a number of young children, at the moment they are full to capacity, and not likely to change in the near future.
