Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application

Reasons for comment:

Comments:	I am really happy for these services and I can't wait to use the academy. This is an essential project for the community and having read the design statement, I am confident the facilities will have a positive effect on the local community and make Gravesend a better place to live in. There is ample parking in surrounding roads and car parks and i know several people and families who are in walking distance anyway who can use this.
