Reasons for comment:	
Comments:	Meopham and Culverstone will always have to increase the housing quantity inline with the growing population. I support the new housing development as I think it will bring new families and communities to the area. I would also hope that this increase will be supported with additional development of local schools and shops. I've reviewed the plans and note that there has been included a new pond and thought has been given to the inclusion wildlife areas.

Kind regards
