Dear Sir/Madam,

Proposal: Construction and operation of a 20MW Green Hydrogen Electrolyser and associated infrastructure.

Site: Kimberly Clark Ltd, Northfleet Mill, Crete Hall Road, Northfleet Gravesend.

Thank you for your correspondence, please see our comments below regarding the above application.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119)
