

20250143 Land On The Western Side Of Ridge Lane

KCC Heritage 4.4.25

Thank you for consulting us on this application.

The site lies within an area of multi-period archaeological potential. However, based on existing Historic Environment Record data for the area and the relatively limited extent of the proposed works, I consider it unlikely that these proposals would have had a significant below-ground archaeological impact and have no further comments to make in this case.
