Reasons for comment:

Comments: I would like to formally object to this application. This would have a detrimental effect on the green belt land and goes against the governments Planning policy for traveler sites that states . Inappropriate development is harmful to the Green Belt and should not be approved. Traveler sites (temporary or permanent) in the Green Belt are inappropriate development. Shorne Village is an area that has protected species and any detrimental development of land would and will cause harm to these species.

Kind regards
